

Student Directory

The Student Directory committee solicits and assembles contact information for Haldane families into a directory that is provided free of charge to parents, administrators and staff each year. The directory is created over several weeks in September and October. Committee members participate in soliciting and organizing data, data entry, and production and distribution. Committee chairperson(s): Crissy Bernstein & Sherrie Nachamkin

Ad Hoc

The Haldane PTA strives to respond to the needs of our students and educators and will form new committees as required to meet various needs throughout the school year. We also welcome ideas for committee that could serve to enhance our children's educational opportunities. Examples include the Playground Committee that was responsible for the new elementary school playground, canopy and tables.

The PTA also appoints PTA Liaisons to the following School District &/or Board of Ed Committees:

Buildings & Grounds- Board of Ed committee that Reviews maintenance & property issues and advises the Board of Ed.

Code of Conduct Committee- Reviews and revises student conduct rules and manuals.

Fine Arts Committee- Recognizes and enhances the Art Program at Haldane

Safety- Reviews and revises school safety procedures
Technology- Reviews and implements technology school district wide.

Wellness- Reviews school lunch and student health and wellness-related programs

Elementary School Improvement Team- Reviews elementary school policies, procedures and curriculum and recommends changes.

Middle School Improvement Team- Reviews Middle School policies, procedures and curriculum and recommends changes.

You can also become a member of the Districts Athletic Booster Club to support our sports programs. This is not a PTA committee contact Athletic Director Tom Cunningham for information.
