

THE HALDANE PTA INVITES YOU TO BECOME A MEMBER

Membership is especially important to a volunteer organization such as the Haldane PTA. Your annual membership dues allow your voice to be heard at local, state, and national levels, which are active in passing legislation and advocating on behalf of all children. The remainder of your dues directly benefits our own community. These funds, together with fundraisers, enable the Haldane PTA to provide various activities and programs that make a difference to the children and the school. Children learn more and have a more productive school year when everyone works together. Please visit our website at www.haldaneppta.org and join us by completing this form.
